

Mill rate hiked

Elk Point ratepayers will face a sizeable mill rate hike when their 1990 tax notices arrive in the mail later this week. The major portion of this increase is due to jumps in requisitions over which the Town has no control. Mayor Bruce Kleeberger told Town Council Monday night that the Supplementary School Requisition is now up to \$308,535, a 13.3 percent increase over last year, and \$66,840 more than the Town's operational budget for 1990.

The mill rate also reflects the first increase in municipal levies for three years, with one mill going to Water and Sewer Capital Reserves, to offset increases in costs of future maintenance of infrastructure. Mayor Kleeberger said that the Town has held the line on all their other spending, despite significant decreases in provincial government support to FCSS, cuts in CRC grants, and grants in lieu. The decision to make the one mill increase "was not a pleasant one," the mayor said, but the residents' money is being "well spent."

The 27.9828 mill Non Residential tax is made up of .1796 mills for the Alberta Planning Fund, 4.977 mills for School Foundation Program, 9.076 mills for Supplementary School Requisition,

.5058 mills for Elk Point Hospital Division No. 18, .3534 mills for M. D. of St. Paul Foundation, 6.959 mills for General Municipal Operations, 2.932 mills for Municipal Debenture Repayment, and one mill each for Non Residential Special Levy, Water and Sewer Capital Reserve and Payment Capital Reserve. The Non Residential rate is 9.27 percent higher than in 1989.

The 22.0058 mill Residential Mill Rate is made up of .1796 mills for Alberta Planning fund, 9.076 mills for Supplementary School Requisition, .5058 mills for Elk Point Hospital District No. 18, .3534 mills for M. D. of St. Paul Foundation, 6.959 mills for General Municipal Operations, 2.932 mills for Municipal Debenture Repayment, and one mill each for Water and Sewer Capital Reserve and Pavement Capital reserve; for a total increase of 10.46 percent over 1989.

The lone decrease in the budget was a 2.5 percent cut in the hospital requisition, while increases include 8.2 percent in planning funds, 6.2 percent in school foundation program, 13.3 percent in supplementary school requisition, 5.2 percent in seniors foundation, and 8.4 percent for municipal purposes.

All set for Canada Day

The final details are complete for Elk Point's 1990 Canada Day celebration this coming Sunday, with only a few changes from the original plans, and a full schedule of activities to please the entire family.

The Canada Day Committee will meet tonight for a last minute briefing but, as of press time, all is expected to go as outlined in the itinerary, on the back page of this issue. Please note: the Fort George Museum will NOT be open that day as originally had been scheduled, also there will not be an interdenomination-

al church service, or soapbox derby races. All other parts of the program are, as of this point, proceeding as listed.

A flagpole has been arranged for, thanks to a number of local businesses. Russ Hebblethwaite of Tarsands Steam Cleaning will bore the hole, Jack Sinclair of Car-Ouells will supply the cement, and Bill Jennissen of Pan Canadian will provide the pole itself. The pole will be installed ready for the ceremonial flag raising during the Opening Ceremonies in early afternoon, as Elk Point and district proudly salutes Canada on her 123rd birthday.

Chamber out for summer

The Elk Point Chamber of Commerce held their final meeting before the summer break last Wednesday and were told by Canada Day Pancake Breakfast Chairman, Larry Demchuk, that all is in readiness for the event. The breakfast starts at 9:00 a.m., Sunday, July 1 and will be held in front of the ALCB outlet on 50th Street.

Other matters discussed by the nine members in attendance dealt mainly with tourism. In response to information received, that train cabooses are available to communities who wish to put these colorful parts of railway history to historical or tourism related uses, the Chamber agreed to write and express their interest in obtaining one. Elk Point has been served by the

Council approves campsite

The use of Community Tourism Action Plan funding, for a seven-site recreational vehicle campsite in Elk Point, was approved in principle by Town Council at their June 25 regular meeting, on condition that the project's developer, John Yakemchuk, enters into a development agreement with the Town on the project. Proposed site for the facility is immediately south of Yakemchuk's Fort George Motel.

The campsite plans include seven sites with sewer hookups, while all seventeen will have electricity, water, and cable television. The site will be fenced on three sides and will include a

central building with washrooms and showers, and a small playground area. Total cost is estimated at nearly \$39,000, of which \$29,199.54 will come from the CTAP grant.

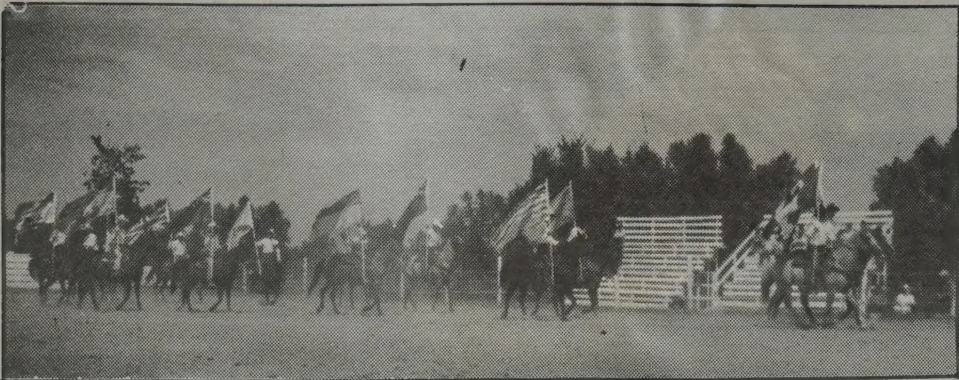

The need for a recreational vehicle campsite in Elk Point has been thoroughly studied by both the CTAP committee and Utilities Committee and the proposed site was one of those identified as suitable for this type of facility. Provision of overnight camping sites is Priority No. 4 on the Tourism Action Plan and it is felt that this would be a very important project for the community.

In addition to serving the needs of tourists, such a facility would

be useful to workers who come to the area for short periods of time and need a place to locate their trailers. This need has been reported to Council several times in past years.

The Tourism Action Committee will have a new member at their July meeting. Ron Smith has been appointed by the Elk Point and District Lions Club as their representative, to fill a vacancy created by the resignation of Glen Gulayec, who has moved to St. Paul. Council ratified the appointment and agreed to send Gulayec a letter of appreciation for his efforts with the committee.

Stoney Lake Stampeders

The Stoney Lake Riders, carrying flags of Canada's provinces and territories, made a colorful Grand Entry at the 28th Annual Stoney Lake Stampede.

28th Consecutive Year

Stoney Lake stampedes

It was a wild and sometimes woolly weekend at Stoney Lake on June 23 and 24, as perfect weather graced the 28th annual running of the Stoney Lake Stampede. Block Brothers rodeo stock was bucking high, wide, and handsome and provided ample competition for the members of the Lakeland Rodeo Association in attendance.

Several special events enlivened the proceedings even further, including rodeo dances both Friday and Saturday nights, the music of "Battle River Country," and a free pancake breakfast Sunday morning; sponsored by Elk Point Packers, St. Paul Packers and Processors, Stoney Lake Stampede Association, Speedee Mart, St. Paul and District Co-op, and Zacharuk Poultry Farm.

Geared to the youngest rodeo fans were Best Dressed Cowboy and Cowgirl contests sponsored by Dale Real Estate, Beaver Lumber, Wozniak Texaco and Lloydminster Heavy Crude; Mutton Busting, with trophies donated by Senecal Tire and Gregg's Family Shopping Centre; and a Calf Scramble, with Wolanuk's Fashions and Foods as the trophy donors. Sunday's winners included 18 month old Rylee Willier as Best Dressed Cowgirl, James Purdy as Best Dressed Cowboy, Tara Gamblin breaking a tie with Jonathan Ahern to win the Mutton Busting, and Jason Belland taking the Calf Scramble honors.

A full range of rough stock and timed events followed the 2:00 p.m. Grand Entry, executed with practiced precision by the flag-carrying members of the Stoney Lake Riders. A minute of silence for Jack Zarowny of Zarowny Motors, who passed away

earlier in the week, preceded the singing of O Canada. Zarowny has sponsored a trophy every year for the Stampede, and was one of its loyal supporters.

Bareback Riding was the first event on the schedule, but none of Sunday's riders could come close to Ted Hehr of Sherwood Park and Frank Anderson of Minburn, who were tied at the end of Saturday's show with scores of 64 points, for the Stoney Lake Stampede Association trophy.

Steer Wrestling featured three go-rounds on Sunday and it was well into the third before Reg Pomerantz of Entwistle downed his catch in 6.2 seconds, to take the Paulchuk Farm Equipment trophy away from Saturday's leader, Dean Lawes, with a 7.9 second run.

Junior Steer Riding went to Saturday's leader, young Consort cowboy Trevor Wittmack, with 67 points, for the trophy sponsored by Fountain Tire and St. Paul Sales and Service.

Calf Roping winner Gordon Gulick was among Sunday's competitors, with a 11.4 second run in the second go-round taking the D & S Catering trophy.

Young Nicki Ree of Bentley was a double winner at the rodeo, winning both the Junior Barrel Racing, with a time of 16.203 seconds, and the Ladies' Barrel Racing, with a time of 16.256 seconds, at Saturday's performance. Trophies were donated by Vogel's UFA and Elk Point Insurance and Realty for the events.

Intermission featured a fine performance by the St. Paul 4-H Musical Riders, whose 18 members went through a number of well timed figures for the delighted crowd.

ures for the delighted crowd.

Saddle Bronc co-winners Malcolm Miller and Larry Williamson rode Saturday, for scores of 68 points apiece, for the Zarowny Motors trophy, unchallenged by Sunday's riders.

Bull Riding went to Kelly Hehr of Crooked Creek, with an impressive score of 80 points in Saturday's performance. Wowk's Esso Petroleum and Fertilizer sponsored the event.

The Wild Horse Ride drew only 3 contestants for the winner-take-all \$380 cash prize donated by a number of local businesses and individuals and the Norcen Energy Resources trophy. Kevin Wirsta, encased in a befeathered Chicken Man suit and showering his mount and the infield with feathers, scored an 82 to win the event.

The famous steer-and-stoneboat race was cancelled Sunday after a wreck at the first performance sidelined the only team who took part. Drobot's Auction Service and S & H Holdings sponsored that event.

Vern Hoffman Trucking sponsored the All Around trophy, which was won by Frank Anderson of Minburn. Other sponsors who contributed to the 1990 Stoney Lake Stampede were Paul Caouette and Sons, BJ Trucking, Toronto Dominion Bank, Phil's Hardware, and Letourneau Farm Supplies.

MLA John Drobot was on hand at Sunday's performance, and besides riding with his fellow Stoney Lake Riders in the Grand Entry, presented a plaque to Kevin Drobot, in recognition of that young man's efforts in starting the first Stoney Lake Trail Ride.

railway since September 22, 1927, when the first train whistle was heard coming down the newly completed line from St. Paul, and is now the end of that rail line.

Mark Wilson and Victor Stepa reported no less than eight possible sites for the Tourist Information Centre. They mentioned that since 90 percent of Elk Point's tourist traffic appears to be travelling north, a site at the south end of town would be logical for consideration. There are two prime locations on the south side, one owned by the Town and located just north of

the tracks on the east side of Highway 41, and one across the highway and along Railway Avenue, owned by Canadian National Railways. The committee will do more research over the summer and will give the Chamber a recommendation when they reconvene in September.

Terry Holmgren was on hand and reported that farmers in the district are becoming anxious about their crops due to the low amounts of rainfall.

The Chamber will hold their next meeting on September 5.

Elk Point Saddle Slickers

Achievement Day a success

By Rob Desjardins
Staff Writer

The Elk Point Saddle Slickers Achievement Day was an exciting and successful event, according to organizer Charlene Baker.

"Everyone really enjoyed it. The judge - Clayton Fischer - was really impressed with our kids' performance. They did really well, especially since we didn't have much time to prepare for it."

The event was held Sunday afternoon on the PV Ranch north of Elk Point, and featured competition in the Showmanship, Western pleasure, Western Equitation, Reining, Horsemanship, Trail, Barrels and Poles, and Ride and Run categories of equitation.

The club's nine competitors placed as follows:

Judging. Seniors: Tanya Kenyon (first); Kathy Stone (second). Juniors: Jody Saranchuk (first); Shanna Baker (second); Pamela Veer, Matthew Veer (third). Beginners: Carla Domstad (first); Allan Baker, Carrie Piotrowski (second).

Showmanship. Seniors: Tanya Kenyon (first); Kathy Stone (second). Juniors: Matthew Veer (first); Shanna Baker (second); Pamela Veer, Jody Saranchuk (third). Beginners: Allan Baker

Summer play deadline is extended

Summer Play is here again. We are looking forward to having you join us at the Community Services Centre, each scheduled day, for fun and games. We have a number of special activities planned to keep you busy during the summer months. Fun and excitement await you. The registration deadline has been extended until June 29, 1990 since our registration limit has not yet been reached.

Bicycle Safety

The second bicycle safety program offered in 1990 was as successful as the first. Thirteen participants received bicycle safety awards, showing that they are now fully aware of the rules of the road and able to skilfully control their bicycles.

We were happy to have so many children registered in the bicycle safety programs. We trust that parents will continue to encourage their children to ride their bicycles in the proper manner and always with safety in mind.

which would permit rental by the Town. Renovations to the present building, to make it usable for up to five years, could cost between \$11,000 and \$12,000. The Public Works Committee will be asked to make a proposal of required work for the next meeting of Council. One suggestion made by the CSBAC was to reconsider swapping 5 acres of land north of the arena for the present site, and use of the present building, until it became feasible to build a new one at the same location. A committee to clarify space requirements and identify potential sources of funding was then set up, with three members of the previous committee signifying their willingness to carry on to the next step.

Bob Smook, District Manger of Amoco Canada for the Lloydminster District and Ron Johnson, Amoco's District Foreman in Elk Point, visited Town Council to provide an update on their project in the Elk Point area. Amoco has recently moved five members of their engineering staff into Elk Point, along with a maintenance foreman and a mechanic, while two operators will also be coming to Elk Point as the result of downsizing at Provost. A total of 25 Amoco workers now live in Elk Point, with another 15 in the surrounding area. Most of those located in this area are "very positive about the community," Smook said, adding

that those who were transferred out earlier "would rather have stayed here."

Drilling in the area continues, with 32 wells started up in the northeast and northwest quarters of Section 29, another 28 wells approved for this year and 12 more waiting for partner approval. The Section 28 cleaning plant was put in operation in March of this year and a one mile pipeline is now carrying oil within the field. All sale oil is now being put into the Husky system, as of January 1, 1990. Amoco will be electrifying a total of 212 wells by the end of 1990, in the interest of decreasing noise and internal combustion pollution.

Seventy five percent of Amoco's oil in the Lloydminster District is produced in the Elk Point area, with production around 3000 cubic metres per day.

Smook said that Amoco is "committed to the project" in the Elk Point area. "We're here for a long term." He does not see any major surge of development activity, but rather anticipates "progress at a reasonable pace."

Amoco's Phase 1 expires in early 1991, and the company is now making a Phase 2 application to the Energy Resources Conservation Board. An open house on Phase 2 will be held in Elk Point on July 21, to outline proposed developments during the next 5 to 10 years.

DANGEROUS WEAPON

In rural Alberta, the construction season means new projects and some major digging. And that can lead to major trouble if you come in contact with any buried facilities. Every year, rural Albertans using heavy machinery contact underground facilities. Such "hits" can result in serious damage, injury or even death.

Please, before you dig, call Alberta 1st Call at 1-800-242-3447. And remember, after buried facilities have been marked, it is your responsibility to expose these facilities by hand before using mechanical equipment.

In Our View

Still one, sea to sea

This Sunday, Canadians from the eastern tip of Newfoundland to the far western reaches of Vancouver Island will celebrate the 123rd birthday of their "home and native land." For now, at least, the country remains intact, whether or not all the residents are happy with that fact. Meech Lake, with its many implications, has met its Waterloo and a new political leader has directed scathing remarks at the present administration of the country.

Canada Day 1990 is a day on which we can all sit back and enjoy being Canadians, exult in the "true north strong and free" and see the scarlet maple leaf flutter proudly against the sky. We can enjoy our multicultural heritage by watching dancers and hearing singers from various ethnic groups perform, we can watch fireworks brighten the night sky and ride rafts down our relatively unpolluted rivers in the early hours of day. We can eat pancakes cooked by businessmen and local politicians, watch colorful parades pass by, hear speeches of enthusiasm about being Canadian and sing out with all

our hearts the words of our national anthem.

Many of the world's people do not enjoy such privileges. Their countries are torn with war, devastated by natural disasters such as earthquakes, stricken with famine. They may not enjoy freedom of speech or religion, and may suffer from oppression. To some of them, it would not be anything new to have parts of their country declare independence from the rest and to battle for freedom. Some may not be permitted to enjoy their ethnic customs, to wear their traditional clothing or sing their folk songs.

We are lucky to be Canadians, although when our politicians wrangle among themselves and bring the country to the brink of disaster, we wonder if we are. At least to this point, commonsense has prevailed and we are still one country. Let us glory in that, this Canada Day, and resolve in our hearts to make at least our own small part of the nation a good and peaceful place to live in harmony with our neighbors.

Have a great Canada Day, eh?

Grace Franks Award Winners

Twenty-three Elk Point Elementary students were awarded Grace Franks Awards on June 18 for excellence in a number of facets of scholastic life including academics, sports, leadership, and school involvement. Pictured here are (in random order): Sarah Bruns, Joanne de Moissac, Melanie Johnson, Jennifer Flanders, Julie Young, and Tanya Pankiw (Grade One); Denise de Moissac, Kevin Frankiw, Vickie Kleeberger, and Levi May (Grade Two); Marilyn Jendruck, Kandice Bjornstad, and Corrine Lowe (Grade Three); Amber Dion, Christa Lypka, Claudia Naber, and Bradlew Pankiw (Grade Four); Amber Kopeck, Robyn Danyluk, and Christa Hammond (Grade Five); and Ryan Kozicky, Shanna Baker, and Rosanna Poulin (Grade Six).

Award of Excellence Winners

Students who have received at least two Grace Franks Awards are eligible for the Elk Point Elementary School Award of Excellence. This year's winners this award are (in random order): Denise Adkins, Carrie Baumbardner, Justin Corad, Raegan Croteau, Amanda Ference, Michelle Hutton, Stacey Kozicki, Andrea Myshaniuk, Erica Nielsen, Cassie Onusko, Benjamin Poulin, Jenny Rae, Christina Sereda, and Darren Watson.

What's news at the library?

Thanks go out to the Town of Elk Point and Edith Mitchell for the bedding plants in the library's flower beds. The mural park beside the library is starting to take shape as well. The area should look very nice as the season progresses.

Summer holidays are just around the corner. Don't forget to register your children for the Summer Reading Program. We have just bought a large number of new books for the elementary age level and are now processing them. Encourage your children to keep their reading skills over the summer months. Preschool storytime will start at 10:00 a.m. for July and August. This is necessary to

facilitate the longer Summer Reading Program. The Elementary Program will be held on Tuesday mornings at 10:00 a.m.

Thank you Mike O'Neil for the three hand puppets. We are always on the lookout for puppets for the "Storytime Puppet Theatre".

Popular hard cover books, HOT off the press, in the library are: Danielle Steel's new book "Message from Nam", Janet Dailey's latest book "Masquerade", the popular South African author Wilbur Smith's new release, "Golden Fox", and a new P.D. James mystery thriller "Deceives and Desires".

Linda Frum, daughter of Barbara

Frum of the "CBC Journal" has written a very interesting book, "Guide to Canadian Universities", where over 40 schools are reviewed.

We have a large number of picture books for children. Two more books by Robert Munsch, "Pigs" and "Giant or Waiting for the Thursday Boat", "Babar to the Rescue", based on Babar, the movie, and "More Bunny Trouble" by Hans Wilhelm. For teens we have some more "Sweet Valley High" books, "Sugar and Spice", and "Endless Summer" books. Nice break from hitting the school books. A new, large-print-format mystery book is "A Call to Danger".

Elk Point Elementary

School awards presented

By Rob Desjardins
Staff Writer

The Elk Point Elementary School gym was alive with excitement last Tuesday, as parents, staff members, and students gathered to honor the school's most hard-working and involved pupils.

The ceremony, which began at 9:00 a.m., featured the presentation of a number of awards, including the prestigious Grace Franks Awards, which honor students who show combined leadership in academic effort and achievement, sports, school involvement, and a number of other facets of their scholastic lives.

This year's Grace Franks recipients are as follows: Sarah Bruns, Joanne de Moissac, Melanie Johnson, Jennifer Flanders, Julie Young, and Tanya Pankiw (Grade One); Denise de Moissac, Kevin Frankiw, Vickie Kleeberger, and Levi May (Grade Two); Marilyn Jendruck, Kandice Bjornstad, and Corrine Lowe (Grade Three); Amber Dion, Christa Lypka, Claudia Naber, and Bradley Pankiw (Grade Four); Amber Kopeck, Robyn Danyluk, and Christa Hammond (Grade Five); Ryan Kozicky, Shanna Baker, and Rosanna Poulin (Grade Six).

Students who have been awarded two or more Grace Franks prizes become eligible for the Elk Point Elementary School Award of Excellence, which is offered according to the same criteria. This year's Award of Excellence winners are: Denise Adkins, Carrie Baumgardner, Justin Conrad, Raegan Croteau, Amanda Ference, Michelle Hutton, Stacey Kozicki, Andrea Myshaniuk, Erica Nielsen, Cassie Onusko, Benjamin Poulin, Jenny Rae, Christina Sereda,

and Darren Watson. The Grace Franks presentations were followed Tuesday by a special recognition of the winners of the school's recent science fair. Travis Hymanyk, Rocky Pankiw, Clinton Maksymec, Erica Nielsen, Jacqueline Penz, Dale McGilvery, Kandice Bjornstad, and Carrie Baumgardner were the winners in the Grade 3-4 division; and Amber Kopeck and Christina Sereda were honored in the Grade 5-6 category.

Ron Brown from Alberta Parks and Recreation rose next to offer congratulations to Donna Kulczycki, an Elk Point student who took first place in the provincial Family Leisure Poster Contest. Kulczycki and the school each received a framed copy of her poster; and Brown offered her his thanks and sincere best wishes.

The awards for the Most Improved Students were presented next. Jonathan Estery, Leanne Longpre, Matt Grosseth, and John Marcoux (Grade One); Gordon Gadwa, Preston Krankowsky, and Kenna Hillebrand (Grade Two); Christopher Hancock and Clinton Maksymec (Grade Three); Charise Kinneberg, Marty Bazelewicz, and Donna Kulczycki (Grade Four); Dennell Anderson, James Yake, and Sandra Gadwa (Grade Five); and Sheena Kinneberg and Noreen Gadwa (Grade Six) were all honored.

Following the presentation of a plaque to the school's top intramural team, the Tigers, the Carrie and Tracy Bespalko Memorial Athletic Awards were presented. The awards are offered annually to one Grade Three and one Grade Five student, each of whom demonstrates a combination of athletic virtues, including

effort, leadership, achievement, and sportsmanship. This year's recipients are Erica Nielsen (Grade Three) and Joni Matthews (Grade Five).

The Special Education Awards were presented next, to those students who had made outstanding progress in the program. Dean Stanley was the recipient of the Grade 1-3 Special Ed Award, while Melanie Gadwa was honored at the Grade 4-6 level.

Following the awarding of a number of prizes for diligent reading and good library habits, four students were recognized for their excellent showings in a rural safety essay contest sponsored by the Alberta Safety Council. Tyson Lawrence, Robyn Danyluk, Justin Conrad, and Shanna Baker each stepped up to be congratulated by school trustee Janice Van Maarion. One of the students - Robyn Danyluk - was given special recognition for her essay, which has gone on to compete at the provincial level.

Finally, the school's top music students stepped forward to be recognized and presented with an award by music teachers Mr. Buryn and Mr. Fraser. Melanie Johnson (Grade One), Kevin Frankiw (Grade Two), Patricia Keichinger (Grade Three), Carrie Baumgardner (Grade Four), Jennifer Rae (Grade Five), and Christina Sereda (Grade Six) were the hard-working students who took this year's prizes.

Congratulations to all the award winners, as well as to the organizers of this efficient and successful event. We hope you all have a happy and productive summer vacation.

Bespalko Athletic Awards

Joni Matthews (left) and Erica Nielsen are this year's recipients of the Carrie and Tracy Bespalko Memorial Athletic Awards. The awards are presented annually to two Elk Point Elementary School students in Grades Three and Five who demonstrate a combination of several athletic virtues in the course of the school year. Mr. and Mrs. Bespalko are pictured here presenting the awards.

Hydrant Art

The fire hydrant at the corner of 51 Street and 52 Avenue has a new look, closely resembling a totem pole. This is the first of Elk Point's hydrants to be decorated by a club or group, and is the artistry of Mike O'Neill, on behalf of the Elk Point Further Education Council.

Oilmen host golfers

On Saturday, June 16, 1990, 34 golfers turned out to enjoy a two-ball foursome sponsored by the Elk Point Oilmen. The grand prize winners were Audrey Smith and Terry Rae. A good time was had by all, with a delicious barbecue to follow. Prizes for the event were donated by A's Driving Range, Stone's Golfworks, Guardian Inspection and Norcen Energy. Thank you, guys, for your support.

Watch for the following upcoming events: Men's and Women's Tug-of-War on Canada Day (for entry forms and further information contact Gordon McCaig at 724-4209), and the 7th Annual Oilmen's Golf Tournament on August 18 and 19, 1990. This has been downgraded to 112 golfers so get your entries in early. Contact Roland at 724-4079 or Paul at 724-4209 for further information. Also coming in September will be a Men's Golf Nite and possibly a mixed social in the fall. Hope to see you all out there.

Share your ideas to better this community.

How does the future look for your community?

How can the community make it even better?

How can the Alberta Government help your community develop a better future?

These are the kinds of questions a newly-appointed Minister's Council on Local Development will soon be asking representatives from your community in a special meeting. It's all part of the Local Development Initiative - a new program to bring Alberta's communities and the Alberta Government together to plan and act for the future of Alberta's communities.

How the Local Development Initiative Works

There are two stages to the Local Development Initiative. The first stage begins very soon, and will run until December 31, 1990. In this stage, the Minister's Council on Local Development will hold special meetings - some with representatives from several neighboring communities, others with members of special interest groups which work primarily on community development projects. In the community meetings representatives will share ideas on community development; discuss common problems and potential solutions; and then tell the Alberta Government how it can best help communities reach their goals for the future. The Minister's Council will compile all the ideas from all of the meetings and present them to the Alberta Government through the Minister of Municipal Affairs.

Stage two of the Local Development Initiative will begin early in 1991. After reviewing the findings of the Minister's Council, the Alberta Government will respond to those findings with the actions required to meet the needs of Alberta's communities. The Alberta Government is committed to the Local Development Initiative, and to taking responsible action to ensure that Alberta's communities have the best possible opportunity to develop and reach their goals for the future.

How You Can Participate in the Local Development Initiative

Your municipal office will be appointing two or three representatives to attend the Minister's Council meeting in your area. Your first opportunity to participate is to share your ideas with one of these community delegates. Tell your delegates where you think your community should be going. Tell them what it should be doing to develop a better future. Tell them what the Alberta Government should be doing to help your community meet its goals. Call your municipal office today for more information on the Local Development Initiative, or to find out how you can share your comments and ideas with your community delegates.

Or, if you prefer, you may take your comments directly to the Minister's Council on Local Development. Some sessions of the Minister's Council forum are for delegates only - to permit representatives from several communities to work together in a number of workshops. But, there is a special open discussion session in each Minister's Council forum, and you are invited to attend and personally address the Minister's Council with your ideas. Call your municipal office for times and locations, and more information on how you can attend the Minister's Council forum in your area.

Council Forums Begin July 10th - Take the Initiative Today!

The Minister's Council on Local Development will conduct its community forums from July 10th to August 30th, so there's no time to lose. Contact your municipal office today for dates and locations of the Minister's Council forum in your area, and for more information on how you can include your comments and ideas in future initiatives to better your community.

Summer reading program at the library

Summer is officially here, which brings the school year to a close and the start of the Elk Point Public Library Summer Reading Program. This year's theme is "Dive For A Book". No, this does not mean that we will be splashing and frolicking in the water all summer, but it does mean that we will be exploring and learning about the underwater world.

Once again, we will be offering two programs: one for the elementary age children and one for the preschoolers. There is no charge for the program for library members. The membership fee, as of July 2nd, will be \$1.50 for children and \$6.00 for a family. We look forward to you children joining us, so please drop in and register them.

The Elementary Program will be held every Tuesday morning at 10:00 a.m. for eight weeks. The first day will be Tuesday, July 3rd, and the final day will be Tuesday, August 21st. Some of the crafts that we have planned are such things as an octopus serving dish, a paper tree bell and more. Our activities will include

games and stories, as we have just received new summer books. Come in and win a prize by playing Monoporead.

The preschool program will be held every Friday morning at 10:00 a.m. for eight weeks, and includes Storytime. The first day will be Friday, July 6th, and the final day will be Friday, August 24th. Because the puppet shows are such a favorite with this

age group, we are planning to make puppets when we do crafts. Other crafts that are planned are a stone turtle, a play aquarium and more. Our activities will include puppet shows, games, finger plays, and storytime. We have also received some new, exciting summer books for this age group to help pass the summer.

Because it is summer, we will wan-

der off track a little from our theme to watch two safety videos. One is about camping and getting lost in the woods, and the other is about fires. Also, with the Elk Point and District Agricultural Society Fair being held in August, it will be possible for the children of both programs to enter a craft that they have made. On our final day of each program we have planned a PARTY. So, put on your

sunglasses, hat and shorts, bring a towel and join us for a morning of fun and games.

We are "MORE THAN JUST BOOKS" and we look forward to you joining Tina Bjorkman and myself for the summer. If you have any questions or concerns about the Summer Reading Program, please contact Lavinia Aubee at 724-3737.

EVEN THE MOST ORIGINAL MASTERPIECE COSTS LESS THAN 5¢

ELECTRICITY: AN OUTRAGEOUSLY GOOD BARGAIN!

If you set out to wow the world with the world's most wow hairdo, don't worry. No matter how long it takes you, it'll only cost pennies to create.

You can operate a blow dryer for just six cents an hour, a curling iron for less than a cent an hour.

And, when it comes to looks, look at these bargains: a 275-watt sunlamp runs for under two cents an hour, a 1100-watt clothes iron for about six cents, and a 6,000-watt clothes dryer for about 35 cents an hour.

In a day and age when the cost of just about everything seems so high, electricity is still a great bargain.

Environment tip: clean air machines

We can't afford not to be concerned about our only source of clean air: green plants. Fact is, carbon dioxide and many airborne toxins are taken in through the foliage of living plants in exchange for life-giving oxygen. The idea is quite simple: grow more plants, enjoy greater quantities of fresh air. Destroy plants and trees and deplete our only source of oxy-

gen. Lawns, flowers, vegetable gardens, and trees are all doing the same thing; working noiselessly and without complaint, cleaning man-made airborne pollution from the air.

Paige and Margaret White are pleased to announce the birth of their first child
"Terri Margaret"
Arrived June 10, 1990, weighing 6 lbs. and 11 ozs. Proud grandparents ae: Jack & Liz White and Brian & Peggy Anderson.

Thank You KUMMETZ, Fritz
We wish to express our sincere appreciation to all our relatives, friends and neighbors, who have expressed their thoughtfulness, kindness and support during the recent loss of our husband, father and grandfather, Fritz Kummetz, who passed away May 19, 1990.
Our heartfelt thanks for the lovely flowers, cards of sympathy and memorial donations.
Also thanks to Rev. Sam Donaldson, Dr. Feddemma, hospital staff, Yewchin's Funeral Chapel and Ferguson Flats ladies for helping with the lunch.
Thank you from Louise Kummetz and Family.

In Memoriam
OCKERMAN, Melvin
In loving memory of Melvin Ockerman, husband and father, who passed away June 29, 1989.
God saw you getting tired
When a cure was not to be
So he put his arms around you
And whispered come to me
Your golden heart stopped beating
Your gentle hands at rest
God broke my heart to prove to me
He only takes the best
Nothing could be more precious
Than the thoughts we have of you
To us you were very special
God must have thought so too.
We laugh, we smile, we play our parts
Behind it all, lie broken hearts
Unseen, unheard, you're always near
So loved, so missed, so very dear
Forever remembered by Leatha, Robert, Randy, Myles and Carole.

In Memoriam
In loving memory of C.A. Algot, our dear husband, father and "Opa", who left us June 28, 1989.
Remembering you is easy, we do it every day
Missing you is a heartache that never goes away
Sometimes we think we are dreaming
For we can't believe it's true,
That we can go on living, when we no longer have you here.
You bade no one a last farewell,
And said goodbye to none,
Your precious heart stopped beating
And suddenly you were gone.
Dear God, put your arms around him
And give him loving care.
Make up for all he suffered
And all that seemed unfair.
Semper: Gary, Sharon, Guy, Clint, Siri, Don, Desirée, Rocky and Debbie

In Memoriam
In loving memory of our dear son, brother and uncle.
DENNIS JOHN BERG
Who was taken away from us all too suddenly on this day July 02, 1989.
Memories are treasures no one can steal
Death is a heartache no one can heal.
You did your best to endeavour
Your love and kindness are in our hearts forever.
Our pain and grief is still so strong,
We miss you and never want to admit to ourselves
You are gone.
We cry, feel pain, and loneliness.
We're always waiting for your calls that never come
We miss the joy of your comings and the pain of your goings.
Our hearts will always be broken,
But the love and special memories will go on forever and someday we will all be together again.
Our continuous love is with you always dear Den.
Deeply loved and so sadly missed.
Mom, Dad, Rusty, Sharon George and Thomas.

Crops deteriorate

Hot, dry winds are continuing to blow away hopes for good crops in the Elk Point area, with crop deterioration noted during the past week, and lack of soil moisture becoming a more serious concern. Rain is badly needed.

Both soil moisture conditions and estimate of plant growth prospects are rated as poor on this week's Alberta Wheat Pool crop report. Conditions of all crops are rated at 50 percent, where 100 percent represents conditions where a bumper crop could result. All wheat crops have now emerged, along with 90 percent of barley and 80 percent of canola.

Transportation & Utilities

SEALED TENDERS will be received at the Tender Deposit Counter, Third Floor, Twin Atria Bldg., 4999-98 Avenue, Edmonton, up to 11 o'clock A.M. on July 18, 1990 for the construction of the following work:

Contract No. 4557/90 - Asphalt Concrete Pavement (End Product Specifications) and Other Work, S.H. 897 N. of N. Saskatchewan River to Jct. S.H. 646 - S.H. 646 Jct. S.H. 893 (Heinsburg) to Jct. S.H. 897. Approximate Quantities: 46,000 tonnes asphalt concrete pavement (end product specifications).

"The Contractor shall supply the aggregate and asphalt materials for this project."

Contracts and Specifications may be obtained at the Tender Deposit Counter, Twin Atria Bldg., Edmonton, the office of the District Transportation Engineer at Calgary and Lethbridge, or the office of the Regional Director at Red Deer, St. Paul and Peace River. A deposit of \$100.00, payable to the Provincial Treasurer, will be required for each copy of the Contract and Specifications taken. Each bid must be accompanied by a bond or certified cheque equal to 10% of Tender. Tenders will be opened in public. M.A. Kehr, P. Eng., Sr. Assistant Deputy Minister
